If a subject does NOT appear on the list then there is no stationery requirements at this time.

**These items are standard requirements and students that do not already have them will need to purchase them.

Students in Year 9 and Year 10 will need an electronic device to be able to function fully in class. This needs to be more than a phone and have a proper keyboard (ie not a tablet). Chromebooks are still Burnside High School's standard recommended device. They have good battery life, backup automatically and are quick to start up in class. However they do not fully support installed software. Students who will want to install software to support their learning in Year 9 – 10 in the Arts, Technology or Music may decide to purchase a device that will allow them extra capability and functionality especially if they are likely to choose these subjects in future years. The wireless band will need to 'a'. Retail outlets will be able to give you further advice if needed.

BURNSIDE HIGH SCHOOL YEARS 9 and 10 2020 STATIONERY ORDER FORM

There will be NO stationery sold at Burnside High School. Parents will need to make their own arrangements to purchase stationery for students during the school holidays.
