10	Textiles Technology	2, (Bobbin to be purchased at school \$4)

**BURNSIDE HIGH SCHOOL
YEARS 9 and 10
2024 STATIONERY
ORDER FORM**

There will be NO stationery sold at Burnside High School. Parents will need to make their own arrangements to purchase stationery for students during the school break.

All prices quoted are from Office Max who are our preferred supplier. Visit the Office Max website, www.myschool.co.nz/burnsidehigh All subject stationery requirements are online and this is a quick, efficient way to order your stationery. Your stationery order can be delivered to your home address.

If a subject does NOT appear on the list then there is no stationery requirements at this time.

****These items are standard requirements and students that do not already have them will need to purchase them.**

Students in Year 9 and Year 10 will need an electronic device to be able to function fully in class. This needs to be more than a phone and have a proper keyboard (ie not a tablet or ipad) a Microsoft Surface is suitable. Chromebooks are still Burnside High School's minimum standard recommended device. They have good battery life, backup automatically and are quick to start up in class however they do not fully support installed software.

Students who will want to install software to support their learning in Year 9 – 10 in the Arts, Technology or Music may decide to purchase a device that will allow them extra capability and functionality like a laptop especially if they are likely to choose these subjects in future years.

Please check that the WiFi capability is "WiFi 5" or better. Retail outlets will be able to give you further advice if needed.
